

Skillsoft Percipio

What do I need to know about my homepage?

Familiarize yourself with the main elements of your Percipio home page to get started!

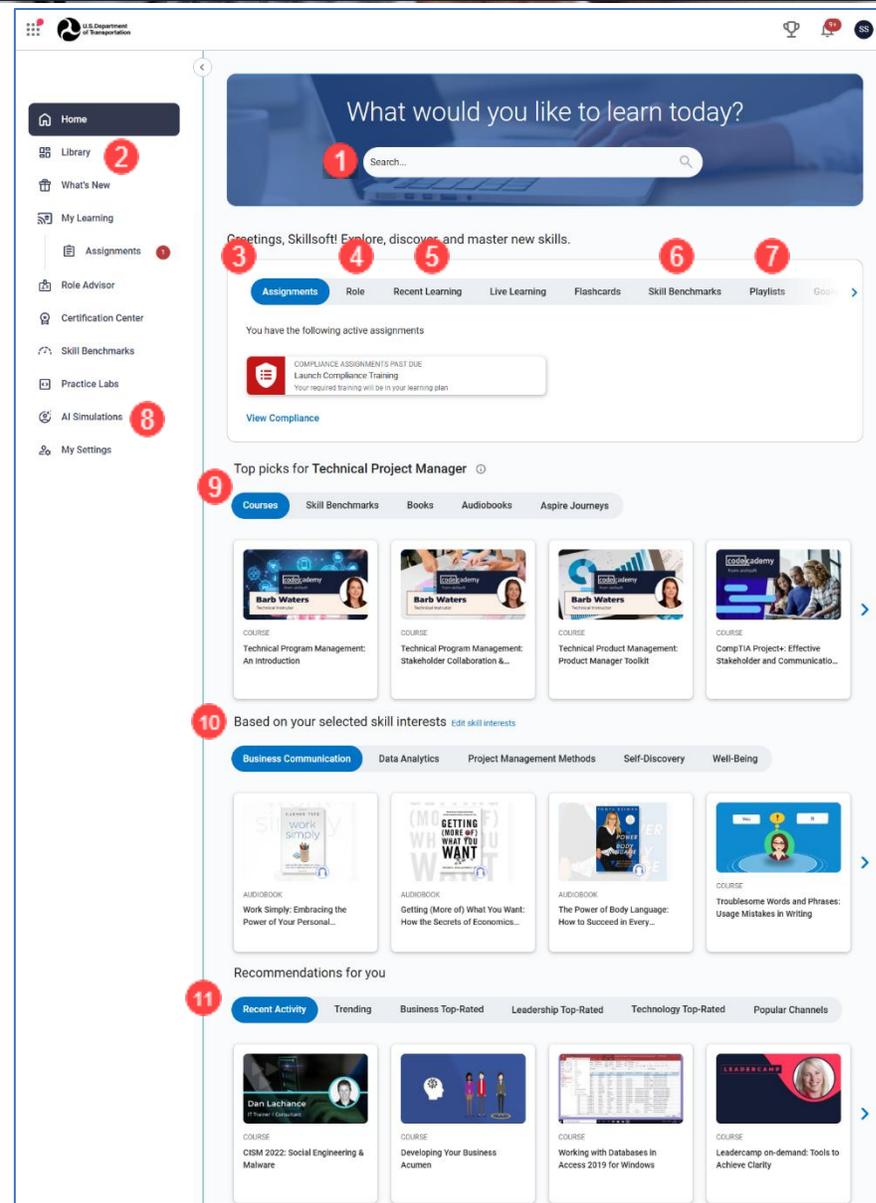

1. Find relevant content using the **search bar**.
2. Find available content from the **Library** view.
3. Complete **assigned** content (will only appear if you have any assignments).
4. Access **Role Advisor** learning recommendations related to your role
5. Pick up where you left off from the **Recent Learning** tab.
6. Start, complete or retake **Skill Benchmarks** to improve your proficiency level.
7. See content you set aside within your **Playlist**.
8. Access **CAISY AI Simulations**, which offers interactive, scenario-based content powered by artificial intelligence.
9. Access **personalized recommendations** based on your role.
10. Access **personalized recommendations** based on your interests.
11. Access **personalized recommendations** based on recent activity.

There's much more! For information about Percipio, see this helpful [resource for learners](#).

IT'S TIME TO UNLEASH YOUR EDGE.
